## How to change the coil head on eGo CE5 Clearomizer:

Step 1: Unscrew the eGo CE5 clearomizer tube from eGo CE5 clearomizer base.

Step 2: Unscrew the eGo CE5 clearomizer coil head from the top of the base assembly.

Step3: Screw the new eGo CE5 clearomizer coil head into the CE5 clearomizer base again.

Step4: Screw the CE5 clearomizer tube back into the eGo CE5 clearomizer base.
